

# Interactive Activity

## Competency E *Facilitation of Supports and Services*

Use this activity to put people first by looking at the situation across different perspectives. This activity can be used to identify supports that should remain in place and supports that are needed.

What is going well? What's working?

What are the challenges? What's not working?

Person's  
Perspective

DSP's  
Perspective

Family  
Member's  
Perspective

What needs to happen next to build on what's working and change what's not working?
