**MAY 10TH
11:00 AM - 12:30 PM**

BRIAN HARRER

Brian has had the privilege of helping many families get out of debt sooner, save more for retirement, and get what they want with their money for the past 7 years with Primerica Financial Services. Brian has been married for 9 years, has 2 beautiful girls and a son. Like many other families, Brian was struggling or just getting by, financially. That was until he learned and applied the financial knowledge needed to do better, something we were never taught in school, college, etc. Now, Brian has the opportunity to share with you the same concepts that he learned 7 years ago that completely changed his life.
